

# Rotary Club of Concordville-Chadds Ford – CCFRotary.org

## What Is Rotary?

Rotary is a global network of community volunteers.

Rotary club members are business, professional, and community leaders in your locality who meet weekly to plan and implement community and international service activities and network with other professionals. More than 1.2 million men and women in over 200 countries and geographical areas belong to over 33,000 Rotary clubs.

## Our Club

The Concordville-Chadds Ford Rotary is a vibrant group of men and women of all ages and vocations working together with local business partners to benefit the children of our community and the world under the motto of 'Service above Self', and we have a great time doing it!

## Why Join Rotary?

Members may join Rotary for many reasons including networking and fellowship, but perhaps the most important is the satisfaction gained from making a real difference in the world.

## Our Signature Project:

Our club focus is the welfare of the children of our community. Through this program we partner with the local clergy to identify local families in need and discretely give them the assistance they require. We provide gifts and meals at the holidays, as well as other necessities throughout the year to assure their physical and emotional needs are met.

## Additional projects benefiting our children include:

- Concordville-Chadds Ford Rotary Handicap Accessible Playground at the Concord Township facility
